

### Fund manager

Nikko Asset Management New Zealand Limited (Nikko AM).  
Nikko AM is Asia's premier global asset manager. We actively manage over NZ\$4.8 billion of investments for a diverse group of clients, including superannuation schemes, charitable trusts, KiwiSaver scheme providers, corporations and local government along with providing services to financial intermediaries through wrap platforms.

We offer investment management services in domestic sectors (equities, fixed interest and cash) through our Auckland-based investment team and employ offshore managers to manage global sectors (global equities, global bonds and alternative investments).

### Investment manager

The Fund currently obtains investment exposure by investing in the Nikko AM Wholesale Multi-Strategy Fund, a wholesale unit trust managed by Nikko AM.

Nikko AM invests in JP Morgan Alternative Asset Management Inc's (JPMAAM) multi-manager/multi-strategy fund, JP Morgan Multi-Strategy II Ltd (MSF II Ltd) to provide access to absolute return strategies. JPMAAM has operated its first such fund since April 1995 (JP Morgan Multi-Strategy Fund Ltd). This JPMAAM fund was closed to new investors in October 2001, and MSF II Ltd was created, based on similar principles to MSF Ltd to accommodate new cash flows and also new managers that JPMAAM wished to utilise.

Nikko AM acts as distributor for JPMAAM in New Zealand. It receives a fee for arranging for the investment of New Zealand funds from JPMAAM and not from the Fund or MSF II.
